AUTHOR INDEX TO VOLUME 25, 2000

Issue	Volume 25
No. 1	Pages 1 - 82
No. 2	Pages 83 - 168
No. 3	Pages 169 - 250
No. 4	Pages 251 - 362

Friendship quality among children in three educational settings
T Heiman 1

Contact and attitudes toward individuals with disabilities among students tutoring children with developmental disabilities
A Rimmerman, B Hozmi, & I Duvdevany 13

Concurrence between subject and proxy ratings of quality of life for people with and without intellectual disabilities
K R McVilly, R M Burton-Smith, & J A Davidson 19

Recent research on physical aggression in persons with intellectual disability: An overview
D Allen 39

Sensory impairment and head circumference in Fragile X syndrome, Down syndrome and idiopathic intellectual disability
J Turk & M Patton 59

General practice registrars' care of people with intellectual disabilities
A Cook & N Lennox 69

Aspiration pneumonia and antibiotic resistant infections in a man with severe developmental disabilities: How much care is enough?
G Lohiya, L Tan Figuero, & H Kohler 83

Sterilisation, drugs which suppress sexual drive, and young men who have intellectual disability
G Carlson, M Taylor, & J Wilson 91

Parental stress attributed to family members with and without intellectual disability: A longitudinal study
C Baxter, R A Cummins, & L Yiolitis 105

A preliminary report on the closure of the Challinor Centre
L Young, A Ashman, J Sigafoos, & P Grevell 119

Primary health care for people with an intellectual disability: general practitioners' attitudes and provision of care
N Lennox, J Diggens, & A Ugoni 127

AUTHOR INDEX TO VOLUME 25, 2000

Intervention for persons with alcohol use disorders and an intellectual disability: A review of the evidence
L Degenhardt 135

Stress, behaviour and sleep problems in children with intellectual disability
A Richdale, S Gavidia-Payne, A Francis, & S Cotton 147

Comparative expectations of teachers and parents with regard to memory skills in children with intellectual disabilities
F Arabsolghar & J Elkins 169

Application of stimulus equivalence to language intervention for individuals with severe linguistic disabilities
D Carr & D Felce 181

Eye contact in children's social interactions: What is normal behaviour?
A Arnold, R I Semple, I Beale, & C M Fletcher-Flinn 207

Concept acquisition in children with mild intellectual disability: Factors affecting the abstraction of prototypical information
B K Hayes & R N Conway 217

Understanding friendship: Young adults with Down syndrome exploring relationships
A Jobling, K B Moni, & A Nolan 235

Towards a clearer understanding of the meaning of "home"
J E Annison 251

The quality and costs of community-based residential supports and residential campuses for people with severe and complex disabilities
E Emerson, J Robertson, N Gregory, S Kessissoglou, C Hatton, A Hallam, M Knapp, K Järbrink, A Netten, & C Linehan 263

Outcomes and costs of community living: A matched comparison of group homes and semi-independent living
R J Stancliffe & S Keane 281

Exploring the relationships between costs and quality of services for adults with severe intellectual disabilities and the most severe challenging behaviours in Wales: A multivariate regression analysis
D Felce, K Lowe, J Beecham, & A Hallam 307

Physical activity levels of individuals living in a group home
V A Temple, C Anderson, & J W Walkley 327

Job satisfaction of community residential staff serving individuals with severe intellectual disabilities
J Ford & J Honnor 343
